About Us

At Langdale Dental & Aesthetics, we believe that everyone deserves to feel confident in their smile and appearance. Our private practice offers the very best in general and cosmetic dentistry — from routine care to complete smile transformations, orthodontics, and dental implantology — delivered with precision, professionalism, and a personal touch.

In addition to exceptional dental care, we provide a carefully curated range of advanced facial aesthetic treatments, designed to enhance your natural beauty and achieve subtle, refined results. Whether you are seeking a brighter smile or a refreshed, rejuvenated look, our highly skilled team is here to support you every step of the way.

We pride ourselves on creating a calm and welcoming environment where clinical excellence meets genuine care. Every detail of your experience is considered, ensuring that your visit is as comfortable and as positive as possible.

Conveniently located close to Headingley High Street, our modern practice is easily accessible by car and public transport. We are proud to welcome patients from our local community, as well as those who choose to travel from further afield.

Our Services

Tooth Alignment

From fixed orthodontics to advanced removable options such as Invisalign® and SureSmile®, we offer tailored solutions to create a beautifully straight smile.

Composite Bonding

Enhance your smile quickly and effectively with composite bonding or the innovative Bioclear® system, a minimally invasive treatment often completed in just one appointment.

Restorative Dentistry

From natural-looking fillings to expertly crafted veneers, we use the finest materials and skilled technicians to restore both function and aesthetics.

Dental Implants

With advanced Biohorizons® implant technology, we provide secure, long-lasting solutions to replace missing teeth with results that feel and look natural.

Teeth Whitening

Achieve a brighter, whiter smile with professional Boutique Whitening treatments, designed for safe and effective at-home use.

Advanced Facial Aesthetics

Discover a range of rejuvenating treatments — including anti-wrinkle injections, dermal fillers, skin boosters, polynucleotide therapy, and radiofrequency microneedling — all tailored to enhance natural beauty with subtle, refined results.

Registering

We warmly welcome new patients. To register with Langdale Dental & Aesthetics, simply contact us or speak to a member of our friendly reception team in practice.

Accessibility

We have good wheelchair access, including a ramp at the entrance, low-threshold doors, and suitably wide corridors and internal doorways. Our patient restroom is also fully accessible. If you have any concerns about accessing our facilities or services, please contact us for further assistance.

Denplan Membership

Spread the cost of your dental care with Denplan, a flexible monthly payment plan that also provides discounts on selected treatments.

Appointments

If you need to cancel an appointment, please let us know as soon as possible. Patients who miss multiple appointments, cancel at short notice, or arrive late on a regular basis may risk losing their registration and will be charged £10.00 per ten minutes of missed appointment time.

Confidentiality

Your privacy is our priority. Patient confidentiality is always maintained, and personal records are protected in line with the Data Protection Act 2018. Should you wish to access your dental records, please speak directly with your dentist.

Emergency Dental Services

For dental emergencies during practice hours, contact us and we will do our best to arrange an urgent appointment for you. For any out-of-hours emergencies, please call NHS 111 for advice and support.
